

CAMP-PACK

Andrews Pharmacy is an independent pharmacy that has been servicing communities for over 50 years. Over the past decade, we have provided specialized medication packaging (**camp-pack**) to various summer camps. This pack includes all of the camper's medications separated by date and time. The meds are sealed into the package and distributed to the camp. Our multi-dose packaging ensures that each camper receives the right medication at the right time. The packaging makes medication administration fast and above all safe. In addition, **Camp-pack** is portable which allows for easy transport on overnight trips.

QUESTIONS:

Which medications can be included into Camp-Pack?

All oral dosage forms can be incorporated into Camp-Pack including vitamins. The only exception is Accutane.

Why can't I just send the medications from home in vials?

The Camp-Pack program is designed to assist the nursing staff in administering the correct medications to the students. This medication compliance packing helps assure that the appropriate medications are being given to the campers at the correct time.

Does Andrews Pharmacy accept my Insurance?

Andrews Pharmacy accepts most major insurance plans. After reviewing your insurance, if we discover that we cannot accept your insurance, we will contact you and you will not be required to participate in the Camp-Pack program.

CAMP-PACK

I use mail-order for a 90 day supply of medication. Can I still use Camp-Pack?

Most insurance will override their system to allow medications to be pre-packaged in a 30 days supply for camp.

Will the pharmacy dispense Brand or Generic drugs?

Massachusetts law requires that the pharmacy dispense generic medications if available unless the physician writes the words "No Substitution" at which time the pharmacy must dispense the Brand name drug.

Can the pharmacy include vitamins and over the counter medications?

Yes, Andrews Pharmacy will include any vitamin supplements or over the counter medications in the medication package.

How much will Camp-Pack cost me?

The cost for Camp-Pack is only \$20 per session (30 day supply) plus the co-payment for medications. If the camper is enrolled for the entire summer the cost is only \$30 for (60 day supply) plus the co-payment for medications. (There are no additional account for set up or packaging charges)

CAMP-PACK

What do I need to do to enroll in this program?

1. Fill out the Camp-Pack application form completely at www.andrewspharmacy.com
2. Mail prescriptions for each medication to be included in the pack.
(please include prescriptions for vitamins over the counter items)
3. Include on the prescription the camper's name, date of birth, camp and session.
4. For controlled substances: If the student is staying for more than 30 days, the physician must write 2 prescriptions. (one for each month)
5. Include a copy of insurance cards (front and back)
