* Please arrive within the windows above to keep the flow of traffic moving and we ask your patience as the people in front of you go through the check in / check out process. Our counselors are on their 24 hour day off from Saturday to Sunday and arrive back to receive your campers shortly before their unit arrival time listed above. Therefore, **we cannot allow your camper to arrive (on Sunday) earlier** than the time that is listed for their unit. **We cannot allow your camper to leave (on Saturday) later** than the time listed for their unit. Please adhere to the unit window times to allow our counselors their full day off.

If you have more than one camper and would like to drop off / pick up in one trip, please use the **drop off time that is the LATEST** for your children. On Saturday if you would like to pick up multiple children in one trip, please use the **pick-up time that is the EARLIEST** for your children.

Thank you!
